*Submitted to His Highness.**Paper under disposal^u 4)*

As called for in the Private Secretary's

Memo No.452 dated 27th July, I submit herewith the

files of papers connected with the memorial of Mr.

T.F. Wilkinson, retired Assistant Superintendent of

Police, praying that he may be granted full pension

by recognizing, as a special case, his service of

over a year and eight months in the Civil and Military

Station.

5) 2 The memorialist's case has been before His

Highness more than once - vide His Highness' orders

dated 28th December 1909 and 25th January 1910, in

General Miscellaneous file 21 of 1909, and 9th Novem-

ber 1910 in S. & A. file 153 of 1910.

6) 3. In the last of the orders, His Highness was

pleased to approve of the recommendation of the Finan-

cial Department that it was inadmissible to allow

Civil and Military Station service to count for pen-

sion and at the same time, to waive the deduction

under Article 341(a) of the Mysore Service Regulations

In the result Mr. Wilkinson was allowed an addition

*1 & J**K*

of Rs.5-3-9 to his pension which thereby was enhanced to
Rs.104-11-3 per mensem.

14th August 1912.

Dear Sir,

I am directed to return file No, 504 dated 10-3-12 and to enquire whether you and the Council see any objection to reconsidering the case and granting Mr. Wilkinson's prayer in view of the following facts

(1) that he was transferred from the C.S. Station service to the Mysore service without any break in employment and not at his own request

(2) that his service has always been shown in our official records as commencing in 1884

(3) that he always bore a very high character and did excellent work earning very high praise from the head of his department.

His Highness thinks that the case is certainly one for generous treatment and there seems in principle no prima-facie objection to allowing his British service to count for Pension.

Yours sincerely,

With reference to Mr. Campbell's D.O.No.70 dated 14th August, requesting the opinion of the Council and myself as to reconsidering Mr. Wilkinson's case and allowing his Civil and Military Station service to count for pension, I submit herewith the opinions of the Financial Secretary and the Councillors on the subject.

2. The Financial Secretary has noted "whether his services are such as to require extraordinary treatment in the matter of pension and if so how far the concessions granted should extend is a matter entirely for the administrative branch". He adds that the financial aspects of the case have been fully discussed in the pension file.

Page 11 of notes.

3. The First Councillor thinks that Mr. Wilkinson has got all that he is entitled to and some concession besides, and he is not aware that Mr. Wilkinson has done anything extraordinary to deserve more.

4. The Second Councillor states that Mr. Wilkinson has been shown some concessions already in view of his having lost his service of 1 year and 8 months in the Civil and Military Station and does not think that any more con-

concession can be shown.

5. In the case of an excellent officer like this it is difficult to take the exact measure of concession and kindness that is due. My recollection is that Mr. Wilkinson is one of the Eurasian Police officers taken from outside to stiffen our own service; so that if the question of reckoning his service in the Civil and Military Station had been raised in March 1886 when he was taken into Mysore Service, the chances are that it would have been promised him. The result has justified his being taken into Mysore Service. If His Highness be graciously pleased to sanction the concession asked for, all I can say is that it would not be thrown away on an undeserving subject.

Petition as shown below, to His Highness the Maharaja, is

transferred to the Secretary to the Government of His Highness the Maharaja

of Mysore, General and Revenue Department (Br: II), Bangalore, for

Submission of papers in the case.

No. 107 of 12-13.

By Order,

I.C.S.

Private Secretary
to H. H. the Maharaja of Mysore.

Enclosure to Sl 1

2

To

His Gracious Highness, 107

SRI KRISHNARAJ WADEYAR BAHADUR,

G. C. S. I.,

Maharaja of Mysore.

The humble memorial of T.F. Wilkinson,
Retired Assistant Superintendent of
Police (4th. Class Assistant Commis-
sioner, Schedule B.)

Humbly sheweth,

that Your memorialist petitioned
Your Highness' Government to allow his
service in the civil and military sta-
tion-Bangalore- extending over a period
of one year and eight months to count
towards pension, but his prayer was
disallowed as inadmissible- vide copy of
Order No. Fl. 2461-3/153-10-2 dated
Bangalore 15th. November 1910 attached.
2. memorialist begs to state that he
was holding the post of chief constable
in the civil and military station, when,
so far back as 20th. March 1884, he was
directed by his superintendent Mr. E.
Hewetson, to report himself for duty
before Mr. L. Ricketts, the then Inspector
General of Police in Mysore, who appointed
him as Inspector and posted him to the
Manjarabad Taluk. Memorialist was then
given to understand by both the
Officers above-named that there would
be no difficulty in recognising his

service

service at Bangalore for pensionary purposes. That this was also the general impression in the Accounts Department of the Mysore Government, is clear from the following entry in the History of Gazetted Officers:-

"ASSISTANT SUPERINTENDENTS"

"1884- T.F.Wilkinson

joined the service 1st July 1884

Born 29th. November 1854"

x x x x

3. That as soon as Memorialist learned that his service under British Government would not be added to his service in Mysore, he applied to your Highness' Government to extend his service so as to enable him to complete 25 years' service which would entitle him to full pension; but his prayer was not granted. Memorialist's service at present stands thus:-

	<u>Years-Months-Days.</u>		
Actual service ...	23	10	17
Period condoned by			
Government.	0	1	13
	-----	-----	-----
Total service			
admitted.....	24	0	0
	-----	-----	-----

4. It will thus be seen that an extension of one year would have enabled Memorialist to draw his full pension Rs 130/- instead of Rs 104-11-3 now sanctioned.

The Government's refusal to grant the said concession has been a source of great hardship to Memorialist. That the service rendered by him during a period of nearly 24 years, had the approval of his Superior Officers under whom he had the honour of serving, and that he was in no way physically or mentally disqualified to serve for at least one more year, is evident from the recommendations made by the Inspector General of Police, in support of Memorialist's application for an extension.- vide his letters Nos. 860/103 and 2787/272 dated 30th. July and 10th. December 1909, respectively.

Slips B+C

5. Your Highness will be pleased to see from the papers that the transfer to the Mysore Service was not one of Memorialist's seeking; and that owing to a technical omission on the part of the District Superintendent of Police of the Civil & Military Station of which Memorialist was not aware till just before his retirement Your Memorialist is made to suffer.

6. From the Service book Your Highness will further see that Memorialist's service was transferred and not that Memorialist had resigned service in the Civil & Military Station to take up Mysore Service. Thus Memorialist's service in Mysore

Slip D

was without a single day's break rendered in continuation of his previous service and not that the Mysore service began afresh.

7. In the History of the service of Gazetted Officers Memorialist's service is shewn as having begun on 1st. July 1884, which makes it clear that Your Highness' Government in successive issues of that compilation considered memorialist's service as reckoning from that date. Had the Government intended to ignore Memorialist's British service it would have shewn the date from which Memorialist service was transferred to Your Highness' Government.

8. It was only at the end of Memorialist's service and when his pension papers were being prepared that the Comptroller's Office discovered the technical omission and disallowed Memorialist's service in the Civil and Military Station.

The fact that the History of the Service of Gazetted Officers all along shewed the 1st. July 1884 as the beginning of memorialist's services would excuse any failure on Memorialist's part.

9. Your Memorialist would solicit attention to his request made at the time of his retirement
to

5.

to serve out the period deficient to entitle him to a full pension. Your Memorialist would respectfully beg that the fact that he was transferred from the British to the Mysore Service without any break of continuity be considered, and that any irregularity or omission of authority sanctioning the transfer was not due to any fault of Your Memorialist, since such action did not come within his province as a subordinate.

Memorialist feels that, but for the technical objections of the Audit Department, your Highness would not willingly have inflicted so great a hardship on one with such a meritorious record of service as that possessed by Your Memorialist (vide ^{Extract from} Service book enclosed). From the records of his services Your Highness will be pleased to see that they had throughout his long career merited the approbation of his superior Officers and the Government.

Slip: E & F

10. All that Memorialist prays and craves for at your Highness' hands is, your Highness will in consideration of his past approved services of 24 years, grant him his full pension by recognising his services in the Civil and Military Station as a special case

for

for which act of grace Your Memorialist
as in duty bound will ever pray.

Memorialist begs leave to subscribe
himself as your Gracious Highness'
humble servant.

Mr. T.F. Wilkinson comes after a very hard and thoroughly satisfactory service of nearly 26 years in the Police Department. My Official acquaintance of him dates from 1894 when he was in charge of the Bangalore City Police.

He has had varied experience as a Police Officer. The remarks made in his service register by so many Officers do refer to the Unanimous opinion of his invariably good work. It gives me pleasure to note here that he earned the appreciation of his superiors by sterling work.

Personally I find him a most zealous Police Officer. It is with full confidence that I entrusted cases to him, and it gives me pleasure to record that he always did justice to the confidence reposed in him.

I may here mention his invaluable service in connection with the capture of the gang of dacoits called Pamlores in October 1908 in the Kadur District where he was Assistant Superintendent of Police at the time. After the capture the investigation of the cases against them was taken up by him at my special request. He had very hard work of it. He did it most satisfactorily. The Government of His Highness the Maharaja have in their order No.J-3099/ Police 126-08-2 dated the 13th April 1909 expressed their appreciation of his excellent work. I was very pleased with his work in this connection.

In wishing him good-bye from the Mysore Police, I
wish him enjoyment of rest and happiness in his retired life.

As I am about leaving the District, Mr. Wilkinson has asked me to place on record my opinion of his character and abilities, I have had repeated opportunities of watching Mr. Wilkinson, and I always found him most hardworking, honest and reliable in his work. I believe him to be a man of unimpeachable character. He is well up in his duties as Inspector, has a very fine perception of human character and conduct, possesses quick tact and keen observation and is patient and persevering.

I.

With reference to Mr. Wilkinson's conduct in a heavy case of theft of coffee the Trying Magistrate has remarked "that he deems it his duty to place on record the detective tact, uprightness and zeal with which he (Mr. Wilkinson) has conducted himself in bringing the case to light and justice."

"The District Magistrate has also recorded his appreciation of the Inspector's conduct in the following words :—

"The Case was conducted under my own supervision. Mr. Wilkinson's conduct in this case is very creditable to him and I am glad to bring it to the notice of the Inspector General."

In connection with the above I have to record the good work done by Mr. Wilkinson. The case was a heavy one of theft of coffee valued at over Rs. 1,000 from Messrs. Binny & Co.'s Stores. The accused, a comparatively wealthy man was the trusted servant and contractor of the works and enjoyed the entire confidence of Mr. Hart, the Agent and Holland the Manager of the Mills and this made the detection of this case somewhat difficult.

Asst. Supt. of Police,
Bangalore District.

II

I have known Mr. Wilkinson for sometime past. He served under me for the past 10 months as Inspector of the Bangalore City Police. A most troublesome charge and gave me entire satisfaction. He is a very practical Police Officer and knows his work thoroughly and is reliable. He leaves on transfer to Mysore, a circumstance I regret, exceedingly as it will be difficult to find his equal.

Supt. of Police.

III

Mr. Wilkinson has been acting for Mr. Ballard for about five weeks, during which period I have seen him and had experience of his work every day. I consider Mr. Wilkinson a very smart and highly intelligent officer and what is a great want does not force bad cases before the Court to swell his crime register. He conducts his cases fairly. Those Mining Superintendents whom I have spoken with regarding Mr. Wilkinson have approved of him.

(Signed) G. Hume Wright,
Special Magistrate.

Gold Fields Oorgaum, 18—8—93.

IV

Mr. Wilkinson was in charge of the City Police for a little over a month. He gave me entire satisfaction in the discharge of the very onerous duties. He is a first class detective Inspector. There is a great deal of go in him. I should say he is just the sort of man required for a City like Bangalore where there are different jurisdictions and where 5 Railway lines converge which affords such facilities for thieves and other bad characters to get in and out of the City unobserved. It is needless to remark that he deserves encouragement as he is so well spoken by several officers under whom he served.

(Signed) D. D. Devaraj Urs,
Supt. of Police.

Bangalore, 3—4—94.

V

Mr. Wilkinson was Inspector in charge of the City Police in 1892 when I came to this District. He has now acted for over a month in the same capacity. He combines with tact and ability to manage a large force; considerable amount of detective skill and is thus a great help to the Superintendent of Police who besides a large District to supervise, has also the charge of a large City like Bangalore. Under an active and conscientious Superintendent Mr. Wilkinson is sure to produce brilliant results.

(Signed) Mir Sujat Ali,
Deputy Commissioner.

Bangalore, 4th May 1894.

VI

Mr. Wilkinson was in charge of the Gold Fields Police for 14 months between June 1888 and August 1889. He had 2 months of it again from July 1893. For the 3rd time he return to the charge in November 1893 and has continued in it up to the present time with a short interruption of 7 weeks when he was in charge of the Bangalore City Police. I have had the immediate supervision of his work for some 15 months and have nothing but

praise to say of him. He is zealous, unsparing and conscientious in the discharge of his very difficult duties in the Gold Fields and numerous cases could be cited in which these qualities in him have borne good fruit. The Office of Chief Inspector of the Gold Fields Police has now become vacant and it will give me very great pleasure to hear that Mr. Wilkinson has been confirmed in it.

Remarks passed by Police Superintendent on Mr. Wilkinson's application, dated 12—12—94.

Submitted for favourable consideration and orders with Mr. Wilkinson's, Service Register which is replete with very favourable remarks from all the Officers under whom he has served. As I am about to leave the District I have added my own remarks therein at his request and have therefore nothing more to say here beyond laying stress on the fact that the work of the Chief Inspector of the Gold Fields has considerably increased since Mr. Ballard's time and the opening out of the New Railway Line.

Dated 14—4—96.

Asst. Supt.

Mr. Wilkinson worked with much zeal and tact when he was in charge of the Gold Field Police Force, some very heavy cases of burglary were detected and the culprits were successfully prosecuted to conviction. In one case especially when the Special Magistrate's Court-house was broken into and some property stolen, he distinguished himself in bringing the offenders to Justice. In recognition of his services at the Gold Fields, the Inspector-General of Police was pleased on my recommendation to confirm him as Chief Inspector. He is an unassuming and honest Police Officer and I have always entertained a high opinion of his capabilities and hope his service will be as successful in the future as it has been in the past.

Remarks passed by the District Superintendent of Police on the first intimation Report in Case No. 16/319.

Mr. Wilkinson and his officers and men must be specially congratulated for the seizure as both the men were old receivers and managed for several years to frustrate the several attempts made by the Police for their capture while in the act of melting Mining Gold. This seizure and the arrest of these known receivers is likely to break the back-bone of the body.

Mr. Wilkinson has been instructed to watch the case when it is under enquiry as several Goldsmiths Receivers have already left the field to secure the best counsel available.

Mr. Wilkinson has been Chief Inspector of the Gold Fields Police, while I have been in charge for the past 18 months.

He is thoroughly well up in all details of Police work and has been of great assistance to me. Several difficult cases he has worked out to a successful conclusion during the time I have been here.

The Gold Fields is a particularly difficult place for a Police Officer owing to the large number of bad characters and the great amount of gold stealing that goes on. And Mr. Wilkinson has always borne himself with credit to himself and the Department.

(Sd.) F. S. Hay,

I have known Mr. Wilkinson now since 1893 at the Gold Fields as regards his work as a Police Officer, I have always been satisfied. I hope I may see him higher up the ladder when I return.

Has been recommended for rewards for good services rendered in the detection of two important cases that recently occurred viz, the Champion Reef Assay House Dacoity and the Belagampully Sponge Gold Case. By the District Superintendent of Police Mysore District—10th July 1901.

I regret Mr. Wilkinson's transfer from Mysore to Bangalore, at a time when his services were so urgently required in the Capital of the Province at a most critical period. (Plague and Cholera.)

I have known Mr. Wilkinson since 1884 especially in the Gold Fields of which circle he was in charge as its Chief Inspector during my incumbency as its Superintendent in 1897-98.

He has passed the U. C. S. examination as also the Madras Police tests for that of a Station House Officer and Inspector, and is therefore thoroughly intimate and conversant with his work and was of very great help to me in the interior economy of the police and an excellent coadjutor both in the Gold Fields and the Mysore City and I take this opportunity on his handing over charge of the Mysore City, a very important charge, of recording my acknowledgment of the help he afforded me.

As a preventive officer in the preventive action of the police he is credited with remarkable good results. As a detective his patience, delicacy and tact led very successfully to the vindication of the Law and justice being meted out to several known offenders.—

A gold watch with a suitable inscription was presented to Mr. Wilkinson at a General Parade of the Police at Mysore by the Deputy Inspector General Police which was sent by Captain Rowe a Mining Superintendent of Gold Fields in appreciations of the excellent work turned out by him while Chief Inspector of the Gold Fields which is a testimony of the appreciation he was held in by the mining body.

Other officers have also recorded their appreciation of Mr. Wilkinson's work and I shall be glad to hear of his doing well in the District to which he is now proceeding and further promotions in the higher grades of the Mysore Service.

Mr. Wilkinson worked under me in the Bangalore City for nearly a year, and I found him a hard working and reliable officer. Owing to some cause or other, the most notable of which was perhaps the want of touch between officers and men several cases slipped through the fingers of the Inspector but I can say without the least hesitation that Mr. Wilkinson did his best in regard to them. I wish him better luck in future.

Mr. Wilkinson served under me as Assistant Superintendent of Police at French Rocks and at Tumkur. I was pleased with his work which was always thorough and satisfactory. There can be but little to add to the excellent testimonials that his good work has brought him in the past.

I am very glad to endorse the high opinion entertained by several of the officers under whom he served. His good temper and tact combined with strict discipline enables him to keep his force in an efficient condition. His detective ability is also far above the average.

* * * * * The force has moreover lost during the year two valuable Officers and the Inspector General places on record his high appreciation of the good work done by Messrs. ——— and T. F. Wilkinson throughout their long service of upwards of 20 years in the Police Department. * * * *

Mr. T. F. Wilkinson retires after a very hard and thoroughly satisfactory service of nearly 26 years in the Police Department. My official acquaintance of him dates from 1894 when he was in charge of the Bangalore City Police.

He has had varied experience as a Police Officer. The remarks made in his Service Register by so many officers do refer to the unanimous opinion of his invariably good work. It gives me pleasure to note here that he earned the appreciation of his superiors by sterling work.

Personally I found him a most zealous Police Officer. It is with full confidence that I entrusted cases to him and it gives me pleasure to record that he always did justice to the confidence reposed in him.

I may here mention his invaluable services in connection with the capture of the gang of Dacoits called Pamlores in October 1908 in the Kadur District where he was Assistant Superintendent, Police at the time. After the capture the investigation of the cases against them was taken up by him at my special request. He had very hard work of it. He did it most satisfactorily. The Government of His Highness the Maharaja have in their order No. J 3099/Pol. 126-08-2 dated the 13th April 1909 expressed their appreciation of his excellent work. I was very pleased with his work in this connection.

In wishing him good-bye from the Mysore Police, I wish him enjoyment of rest and happiness in his retired life.

(Signed) D. Devaraj Urs,
Inspector General of Police.
